Space saver

The rectangular shape of the Griff®Grip makes it perfect for the smallest space.

Manufactured in highly resistant polypropylene.

Anatomical handles for safe and simple transportation.

Exclusive hinged design.

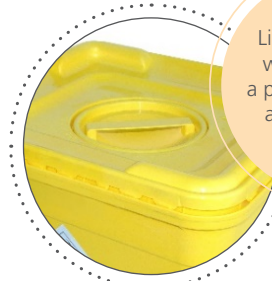

Easy to stack and store.

We can supply a pedal frame with all our Griff®Grip bins to enable ease of use and transportation.

Unique 'rabbits teeth' feature for secure closure.

Lids are available with or without a porthole opening and in a variety of colours.
